

Marija Andranka

Short bio:

Marija Andranka is a teacher, university lecturer, researcher and textbook author. For the last 19 years she has been working at the Faculty of Teacher Education in Zagreb, Croatia where she currently teaches courses in TEFL methodology specialising in young learners. Her research involves curriculum development, reflective teaching, content-based instruction and cultural issues in FL learning. Her work has been published in numerous academic journals. She is also involved in in-service teacher training, with particular focus on novice teachers. As the co-author of a series of textbooks for young learners of English, she is dedicated to holistic FL learning and to promoting children's creative and critical thinking. She lives in Zagreb, Croatia.
